KEY FEATURES

A simple method for concealing the base of existing pallets to make it more attractive and help draw attention to products. Pallet guards also have the added safety benefit of ensuring the corners of pallets are fully covered, protecting customers from any sharp edges. All wooden edges are completely hidden, resulting in a visually appealing display.

- **Adjustable** to fit most common 'half' and 'full' size pallets.
- All components are **pre-assembled** meaning an easy, **one-person installation**.
- More **durable** than paper or corrugated wraps.
- More **versatile** than poly-printed base wraps because it is **re-usable!**
- Add custom promotional sign panels to your pallet guard (sold separately).
